

Changes in Materials for *Land and Water*

Since publication of the *Land and Water* Teacher's Guide Second Edition, a change in materials has been made to the *Land and Water* unit that affects Lesson 4. The quantity of white fine-grain sand provided in the materials for the *Land and Water* Second Edition unit has increased and requires revised instructions in the unit's Teacher's Guide.

This errata set includes the following:

- For the *Land and Water* Teacher's Guide Second Edition, Section 3: Materials Management and Safety—revised page 7

Photocopy and distribute these new instruction pages as needed.

If you have questions about these changes or about the module in general, call Carolina's product information staff at 800-227-1150 (8 am–5 pm ET, M–F), or email stc@carolina.com.
